ATUL JHA

https://www.linkedin.com/in/atul-jha-80b71b1a7

PROFILE

I am currently pursuing a bachelor's degree in Computer Science Engineering (CSE) from Chandigarh University. I am currently trying to explore my knowledge in fields of Machine learning and Artificial Intelligence. And know about Front-End website development.
I have also worked as part-time Freelance content writer since December, 2018. Just looking forward to explore more and more and gain great knowledge and experience.
